HALL TREADLE FOR SEWING MACHINES.

The most important improvement ever made. It saves labor and preserves health. No more diseases and deaths, side or back aches from using Sewing Machines. No teaching required. A child can run it. Always starts the right way. Never goes backwards and breaks things. Can be stopped instantly. With it on your machine, you can do double the work you can without it. Fifty stitches can be made with one pressure of the foot. It can be applied to any Sewing Machine. Approved by Mass. State Board of Health (see official report, 1872), Mass. Medical Society, and Mass. Charitable Mechanics' Association. Send for circular. **PRICE, \$10.**
